IS EG Halal E-platform

IS EG Halal E-platform is our official website used for the sole purpose of submitting data to obtain IS EG Halal certification. Access to the site is exclusively for the applicant and should not be shared with any other party.

Applicants will be granted access to the E-platform after agreeing to terms and conditions below.

Following review of your application, you will be sent a registration code for access to the IS EG Halal E-platform. Please check your spam folder for an email containing @iseghalal.com should you not receive a registration code within 24 hours of approval.

Please note that all email communications will be sent to the primary e-mail that you register with to the IS EG Halal E-platform.

Terms and Conditions

By accessing the IS EG Halal E-Platform (the "Site"), you accept without limitation or qualification, the following Terms and Conditions. If you so not accept these Terms and Conditions, your access will be revoked, and you will be prohibited from using the Site.

1. This site is to be used for the sole purpose of submitting data in order to obtain certificates to verify Halal certification.
2. All data entered on this site must be accurate. If it is determined that false information was intentionally submitted, access to the site will be immediately terminated.
3. Access to this site is exclusively for the applicant and should not be shared with any other party.
4. The application shall be signed by an authorized person in the applicant's organization and shall bear the official stamp of such organization.
5. The applicant agrees to pay the invoiced fee for Halal certificates, once issued, and shall submit evidence of payment within 10 days of the date of receipt of such invoice.

Declaration

The information given in this application form is correct to the best of my knowledge and belief, and I agree the terms and conditions. I also agree that I understand the procedure of Halal certification and extend full cooperation throughout the procedure of certification.
